## WORK EXPERIENCE

### Data Science Intern
Flip Robo Technologies

*01/2022 - 06/2022*                                                      *Bengalore, India*

*Flip Robo is an artificial intelligence company. We specialize in chats, web scrapping, and building algorithms that help you scale up yourbusiness*

*Achievements/Tasks*

□ I have done 6 months internship as Data Science Intern with Flip Robo Technologies. I learn some new things there(web scraping using BeautifulSoup and selenium) and implement my learning also in the project. I have done few machine learning projects there and couple of projects using NLP also.

□ Worked in telecom industry project in providing the micro credit loan to which type of customers by consideration of various inputs using machine learning .

□ Worked on Fake news Detection Project using Natural Language Processing/Machine learning.
